14TH FEBRUARY 2025

Zebra Crossing Installation : Access from Monday 17th February

We have been informed that from Monday next week, contractors will commence work on the school side of the pavement outside the lower yard gate. To ensure the safety and smooth flow of foot traffic during this period, a one-way system will be in operation. **We kindly ask that all visitors enter the site via the top gate and exit via the lower yard gate leading to the front gate of the school.**

Please allocate extra time for your journey to and from the site to mitigate congestion and facilitate a smooth, safe transition.

Thank you for your cooperation.

Smartphone Free Childhood is a grassroots movement of parents who believe childhood's too short to be spent on a smartphone

We're on a mission to

01.

Bring parents together to start new and positive conversations about the problems of smartphones and social media in childhood

02.

Empower parents to wait to get their kids a smartphone until at least the end of Year 9, through signing up to the Parent Pact in their region

03.

Demonstrate that parents are demanding change at scale, and therefore force the government and tech companies to act

Why we're doing this now

We've been put in an impossible position by the tech companies. It's a lose lose - either allow our children access to something all the evidence tells us is damaging, or say no and risk alienating them among their peers at a crucial stage of their social development. **We believe something needs to change, and it starts with all of us.**

We might inform someone if we were concerned about your safety, but we would usually speak to you first. Your messages are stored and can be seen by other healthcare staff who follow the same confidentiality rules. We aim to reply to you within one working day and you should get an immediate message back to confirm we received your text. Texts will not be seen outside normal working hours. If you need help before you hear back from us, contact your GP, nearest walk in centre or dial 111. Our text number does not receive voice calls or MMS picture messages. We support messaging from UK mobile numbers only (which does not include messages sent from landlines, international mobile numbers and some 'number masking' mobile apps). To prevent the health professional from sending messages to you, text STOP to our number. Messages are charged at your usual rates.
